FREE SOUNDS - License information

We hope you love, and make use of, these free Sample Magic samples.

But... if you want to release a song using our samples then you need to know this...

We provide these free loops and samples so that you can make a truly informed decision before splashing out on a full product. We don't ask you to register to use these sounds and hope that you make as much use of them as possible. However, if you are planning on using any Sample Magic sounds in productions that are to be sold or released then you will need to buy a license to use them. This means either buying the full physical or digital product from which the free samples are taken.

And here is our full license agreement...
